## 1. Save Time and Money

On Average, businesses using TSheets lower their payroll costs by 6% and cut the time it takes to run payroll by 3 hours.

## 2. Improve Efficiency

38% of business still use manual processes like paper time cards that can be innacuarate, TSheets is accurate to the second.

## 3. Stop Time Theft

50% of employees admit to adding unworked time to their timesheets, costing US businesses millions every year. TSheets curbs time theft.

## Why TSheets?

“Easy To Use, Excellent Customer Service.”

- Lisa from Charlottesville Handyman Services

“The Best Time Tracking App.”

- GetApp.com

“It’s Our Most Valuable Business Tool!”

- Dana from GAPCO, INC
